Nature's Fusions

Essential Roll-ons

100% Pure, All-Natural

Our signature essential oil blends mixed with organic fractionated coconut oil for worry-free application.

10ml Roll-on For quick and easy use

3pk – Protect, Relieve, and Relax

5pk – Protect, Relieve, Relax, Breathe, and Soothe

Nature's Fusions

Inside Our Roll-ons

Protect – Dragon's Breath

Based on the ancient recipe used by corpse robbers in the time of the plague, with updates informed by modern research.

Relieve – Fire & Ice

Peppermint, wintergreen, lavender, and 5 other oils combine in Fire & Ice for muscles and massage. Topical warming and cooling, clear head and thinking, sports massage.

Relax – Lullaby

Eleven soft and soothing oils make Lullaby a powerful blend to promote relaxation and help you get a restful nights sleep.

Breathe – Crystal Breath

Providing a refreshing experience & odor control, Crystal Breath opens pathways and increases clarity! A fusion of laurel leaf, lemon, 2 types of eucalyptus, mints and herbs.

Soothe – Soothing

Designed with natural health professionals, Soothing was made to improve the appearance of compromised skin.

Nature's Fusions Accessories

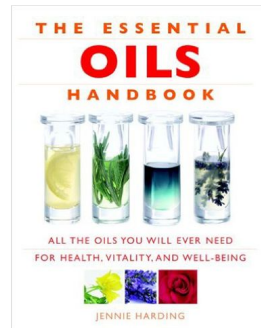

Ultrasonic Diffuser

Enjoy your favorite essential oil when diffused into the air! Just add water and a few drops of your favorite essential oil. Don't know where to start? Try the complimentary bottle of lemon.

Essential Oil Handbook

Learn about the history, common uses, and dilution of each oil with this stellar essential oil handbook.
