Nature's Fusions

Top Essential Oils (a-c)

Bergamot Citrus Bergamia

Cold pressed from the rind Italian bergamot fruit
Approve the appearance of dry skin by applying topically (with 2-5% dilution). Try breathing in or diffusing for a bright, uplifting experience.

Birch Betula Lenta

Steam distilled from the bark of Canadian birch trees
Combine with a carrier oil like fractionated coconut for a warm massage experience. Diffuse or breathe in for additional focus.

Cedarwood Cedrus Atlanticus

Steam distilled from the wood Moroccan cedar trees
Apply to stress lines to improve the appearance of dry or aged skin and help with stress. Dab into cedarwood chests to revitalize that rustic scent.

Cinnamon Bark Cinnamomum Zeylanicum

Steam distilled from the bark of Sri Lankan cinnamon
Use in massages for a warming and uplifting experience. Remember to dilute! Add to cleaning solutions or diffuse for a protective and familiar cinnamon scent.

Clove Bud Syzygium Aromaticum

Steam distilled from the buds of Indonesian clove
Use with care topically. A great accent to spicy dishes, don't worry if a drop finds its way into food. A warm and protective oil to pair with other spices.

Copaiba Copaifera Officinalis

Steam distilled from the resin of Brazilian copaiba trees
A very gentle oil for skin. Apply to the bottom of your feet for a peaceful and calming experience.

Nature's Fusions

Top Essential Oils (e-l)

Eucalyptus Radiata Eucalyptus Radiata
Steam distilled from the wood & leaves of Australian Eucalyptus trees
A clean and crisp oil used in skin care products. A natural addition to muscle and breathing rubs.

Frankincense Boswellia Carterii
Steam distilled from the resin of Somalian Boswellia trees
Well-known oil for improving the appearance of skin. Diffuse during meditation to bring additional balance and peace.

Ginger Zingiber Officinalis
Steam distilled from the roots of Chinese ginger
Breathe deeply to bring balance and grounding during times of stress or imbalance. Diffuse for a warm, spicy, woody scent.

Grapefruit Citrus Paradisi
Cold pressed from the fruit of USA grapefruit trees
Add to skin care or facial scrubs to improve the appearance of oily skin. Diffuse or breathe straight from the bottle for an uplifting experience.

Helichrysum Helichrysum Italicum
Steam distilled from Slovenian helichrysum flowers
Improve the appearance of damaged skin by applying topically. Great for all things skin, just don't forget to dilute before using.

Lavender Lavandula Angustifolia
Steam distilled from the flowering tops of French lavender
Relax with a few drops in a diffuser or rub into the palms of hands or the bottom of your feet.

Nature's Fusions

Top Essential Oils (I-p)

Lemon Citrus Limon

Cold pressed from the peel of Italian lemons
Remove adhesives, avoid toxic cleaning fumes, or brighten your day with a few drops. Apply to the bottoms of your feet for clarity.

Lemongrass Cymbopogon Flexuosus

Steam distilled from the leaves of Indian lemongrass
Add to skin care products or facial toner to improve the appearance of oily skin. Lift the spirit and focus the mind by diffusing this oil.

Orange Citrus Sinensis

Cold pressed from the fruit peel of USA grown oranges
Improve the appearance of dull skin when applied topically. Lift the spirits and cleanse the mind when diffusing this essential oil.

Oregano Origanum Vulgare

Steam distilled from the leaves of Spanish oregano
Extremely potent, use with caution. Only use with other oils or in extreme dilutions. A powerful protective oil that can cause topical sensitivity.

Peppermint Mentha Piperita

Steam distilled from Indian peppermint leaves
Keep your eyes wide open with a drop or two on your temples or under your nose. Add to massage blends for topical cooling and improving the appearance of reddened skin.

Pine Pinus Sylvestris

Steam distilled from the needles of Hungarian pine trees
Use in tandem to steam rooms and baths for relief. Apply topically during a massage for tired muscles.

Nature's Fusions

Top Essential Oils (r-z)

Rosemary Rosmarinus Officinalis Ct Cineole
Steam distilled from the leaves of Tunisian rosemary
Brings stimulation and warming when applied topically. Diffuse for a fresh and balancing feeling to the air.

Tea Tree Melaleuca Alternifolia
Steam distilled from Australian tea tree leaves
Just a drop or two in your favorite face cream, exfoliant, or straight on your skin helps you relax, protect, and improve the appearance of skin.

Thyme Thymus Zygis
Steam distilled from the leaves of Spanish thyme
Cleanse, stimulate, or warm when applied topically. Very potent, use caution and extreme dilution!

Wintergreen Gaultheria Procumbens
Steam distilled from the leaves of Indian wintergreen
Apply topically or use in massages for a fantastic warming experience. A staple in our Fire & Ice muscle and massage blend.

Ylang Ylang Cananga Odorata
Steam distilled from the flowers of ylang-ylang trees in Madagascar
Diffuse for a sweet, floral experience. Dilute or use in a blend for a relaxing and uplifting experience.
